Devyani Yenurkar

Prime Minister's Research Fellow | Ph.D. Scholar
Biomedical Engineering, IIT (BHU), Varanasi, Uttar Pradesh 221005, India

Email: devyanimyenurkar.rs.bme@itbhu.ac.in
Google Scholar: Google Scholar
Contact: +91 9850662613

Profile

A researcher and an organized individual, mastered in medicine and pursuing Ph.D. in Biomedical engineering. Skilled at developing reports, analyzing data and identifying solutions. Strong ability to handle complex projects. Innovative, creative and willing to contribute ideas and learn new things.

Education

2022–Present	Ph.D., Biomedical Engineering	IIT (BHU), Varanasi	CGPA: 8.77
2020–2022	M.Pharm, Pharmaceutics	SNDT, Mumbai	CGPA: 8.36
2016–2020	B.Pharm, Pharmacy	RTMNU, Nagpur University	CGPA: 8.32

Research & Professional Experience

2023–Present	Prime Minister's Research Fellow (PMRF), IIT (BHU).
2023–Present	PMRF Teaching Assistantship $\approx$ 50 hours per year.
2022–Present	Teaching Assistant / Lectureship at IIT (BHU) ($\approx$ 50 hours per year).
July 2025–Oct 2025	Teaching Assitant in NPTEL online certificate cource of Human Physiology.
7 months	Research Intern, Medley Pharmaceuticals Ltd., Mumbai.
1 month	Trainee, Siddhayu Ayurvedic Research Foundation Pvt. Ltd., Nagpur.

Innovation & Translation in Research

Co-founder and Chief Scientific officer at OxaStore Biotech Pvt. Ltd., Incubated at IIT (BHU) in 2025.

Honors & Presentations

- GPAT and NIPER qualified (2020) ; Prime Minister's Research Fellowship, Government of India (2023).
- Best Poster Award, TransMat International Conference on Translational Materials for Sustainable Technology (2024); Presented research at BioHeal 2025 (IIT Roorkee), the International Conference on Colloidal Materials 2025 (San Sebastián, Spain), Bangalore Nano India 2024.

Patents

1. *A nanoparticle formulation and a method of preparation thereof*; Application No. 202411043077; Filed: 3/6/2024.
2. *A collecting vial for collecting and storing a fluid sample*; Application No. 2202511013514; Filed: 17/2/2025.
